View, review, retrieve and repeat orders.

Security settings

View and edit personal information.

Customisation

Change how you show prices.

My reports

View order analysis of order history.

My order pads

Create and amend your saved pads.

Quick Order Pad

You can now quickly place your orders if you have the product codes to hand using the 'quick order pad' found in the 'order now section'.

Simply...

- Type product code**
- Define 'Quantity'**
- Once completed, click 'Order now'**

The screenshot shows a mobile interface titled "Quick Order Pad". It features a table with two columns: "Product Code" and "Qty". There are ten rows of empty input fields. Below the table, there is a link that says "Add 5 | 10 | more lines". At the bottom, there are two buttons: "Order Now" and "CSV Upload".

Product Code	Qty

Add 5 | 10 | more lines

[Order Now](#) [CSV Upload](#)

Saved Order Pads

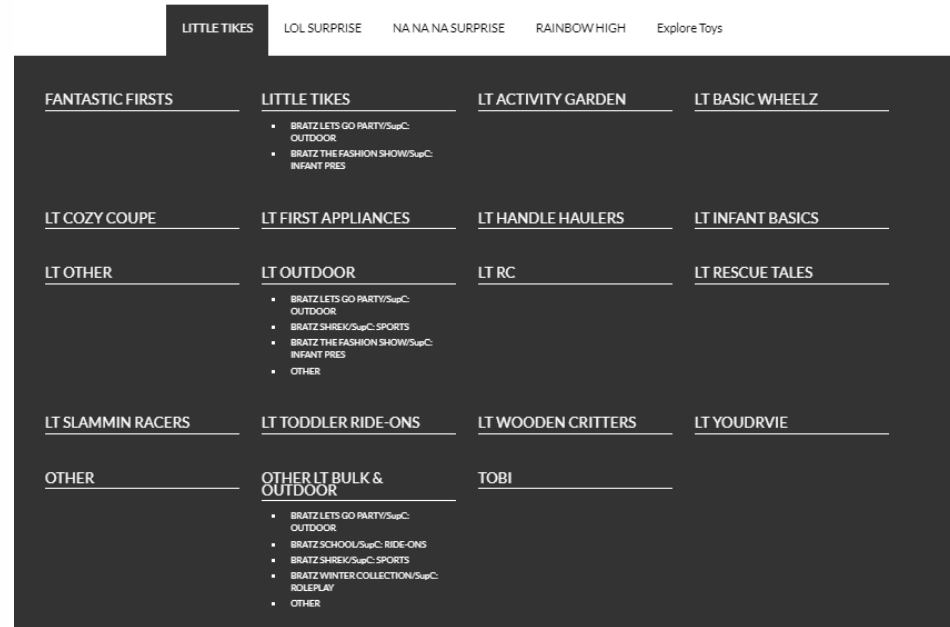

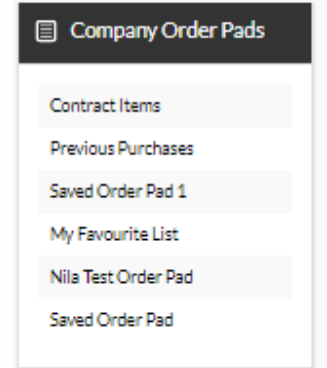

'Order now' gives you quick access to...

- Lists you have created
- A list of items you have previously ordered online
- The supplier list

This is all the products you have ordered from MGA in the last 60 days online.

To create and amend order pads

- Click 'My account'
- Click 'Company Order Pad'

Navigation & Search

Navigation

You can browse through your product catalogue using the top line navigation menu, present throughout the site.

Search

If you know what you're looking for, you can search using the search bar, found across the site. You can search by part or full words or by product code.

Once the product you are searching for has appeared in the drop down you can select it and click to view or click the magnifying glass to perform a full search.

Filtering Products

When you are viewing the product catalogue, extended search filters show on the left-hand side.
